BID BULLETIN NO. 2

22 June 2020

Supply, Delivery, Testing, Integration, Training and Commissioning of News Production Editing System with Complete Accessories for the Mindanao Media Hub of the People's Television Network, Inc. (PTNI)

ITB NO. 2020-0014N

In response to a query, this Addendum is issued to modify or amend the bidding documents. This shall form an integral part of the bidding documents.

QUESTIONS	RESPONSE
Regarding on Single Largest Completed Contract (SLCC), Our company has two contracts that we can use as our SLCC however, one of the contracts is short of 500k to reach the 50% of the Approved Budget for the Contract (ABC) while the other is only system installation and engineering services there is no supply and delivery. Can you consider at least one of those two contracts to be used as our SLCC?	Yes, it is acceptable
The bidder would like to clarify the following: -Adobe Licenses (including the "After Effect" and "Premiere") is only one (1) year annual license and has to be renewed yearly. -Kaspersky Security the standard license is three (3) years and has to be renewed every three (3) years. Other software has perpetual licenses.	Yes, it is acceptable
Clarification on the Schedule of Requirements, Item 15 to 18 The quantity from Item 15 to Item 18 is in "lot".	The number of software is based on the quantity of Desktop PC, Laptop and server.
Technical Specification, Item 15 "Cat-6 Cable" Do you have the number of notes? How many notes do you need to have a cable?	In the Schedule of requirements, item 14 has no quantity because during the installation the winning bidder will be the one to measure the area where the cables are installed.

Do you have a floor plan?	"Please see Annex A"
Can the delivery period be extended because of the quarantine?	The PTNI will strictly follow the 90 calendar days delivery period.
The bidder is requesting to relax the Single Largest Completed Contract (SLCC), instead of using "and" can it be change to "or"? From *"For this purpose, similar contracts shall refer to Supply, Delivery, Testing, Integration, Training and Commissioning of Broadcast Equipment **and** Editing Equipment."* To *"For this purpose, similar contracts shall refer to Supply, Delivery, Testing, Integration, Training and Commissioning of Broadcast Equipment **or** Editing Equipment."*	Yes, it is acceptable
Clarification on item 3 of Schedule of Requirement It states "Multimode Fiber" but in the specification it is "SMF" or Single Mode. Is it "Multimode Fiber" or "Single Mode Fiber"?	It is Single Mode.
Clarification on item 4 of Technical Specification "Network Attached Storage (NAS)" it states : **Form Factor: 2U** **No of Drives: 12** **Maximum No of Drives: 35** "2U" has twelve (12) drives only, while "4U" has 35 drives. What do you prefer 12 drives or 35 drives?	Twelve (12) drives is acceptable.

Clarification on item 4 of Technical Specification "Network Attached Storage (NAS)" is it fiber optic or at the same time we will use RG45? When it comes to fiber we don't have an issue but there is a required RJ45 here. Does it mean we will not use RJ45? We are short of two (2) 10G RJ45 but we have RJ45 that has "two (2) knot, two (2) 1G, and one 1 Flat NG"	If you can use fiber that's better. The RJ45 on the port of NAS is required depending on your network design
Clarification on item 5 Technical Specification "Monochrome Printer" Paper Tray : A4, Letter, B5 (JIS), A5, A5 (Long Edge), A6, Executive, Legal, **Folio** Will it be acceptable if the paper size Folio is not available in the Paper Tray?	Yes, it is acceptable
Clarification on item 6 Technical Specification "Dot Matrix Printer" Is it acceptable if the printer cannot support Windows 95 and 98?	Yes, it is acceptable
Clarification on item 8 Technical Specification "Journalist Desktop Computers with License Software (Network -2xRJ45 LAN)" Can it be acceptable if we add a card to comply with the requirement?	Yes, it is acceptable
Clarification on item 9 Technical Specification "Journalist Notebook with License Nonlinear Editing Software'(Optical Drive-Tray load DVD Drive)" Can you allow external DVD Drive?	Yes, it is acceptable provided that it is a USB interface
Clarification on item 9 Technical Specification "Journalist Notebook with License Nonlinear Editing Software (Operating System)Can we clarify what OS	The Operating System (OS) will depend on what Notebook the bidder/s will offer.

you need?	
Clarification on item 9 Technical Specification "Journalist Notebook with License Nonlinear Editing Software (Automatic Voltage Regulator)" Can you consider the input 110-240 V?	Yes, it is acceptable
Does the site Inspection really required?	Because of the time line of the procurement and the Covid19 pandemic worldwide, we can waive the site inspection. Provided that, the bidder can carry all any unseen expenses for the installation and other works. PTNI only pay based on the bid offer.

NEW NORMAL GUIDELINES IN PROCUREMENT
To avoid transmission of covid-19, the Bids and Awards Committee will observe strict health protocols at all times and as we shift to the new normal work guidelines, we will adapt new measures on procurement activities of the network
A. Opening and Submission of Bids The BAC will still accept physical submission of bid tenders A.1 The bidder/s must submit their bids on time with proper label and sealing. A.2 The bidder/s must only have one (1) representative with a health or medical certificate attesting that he or she is covid free. A.3 Health and safety protocols must be followed ● Everyone must observe social distancing at all times ● Bidder Representatives must wear a face mask. ● Bidder Representatives must practice proper sanitations inside PTV premises.

All other information in the Bidding Documents inconsistent with the above are hereby revised accordingly. All other provisions which are not affected shall remain in effect.

For further guidance and information of all concerned.

Thank you.

MARIA ANGELA C. GATAN
Chairperson
Bids and Awards Committee
