BID BULLETIN NO. 2

7 November 2019

ITB NO. 2019-0018

This Bid Bulletin is being issued to revise/clarify certain portions of the Bid Documents

Please be informed that the AC plugs must be compatible with the Power Distribution Unit (PDU) female plug to be installed in the TOC Racks. Please refer to the sample image above. This receptacle requires the male IEC-320-C14 Heavy-Duty Power Plug and cord which is suitable in equipment that requires an efficient and rated power supply. AC plugs/cord of all MMH equipment to be installed in TOC must be male IEC-320-C14.

All other information in the Bidding Documents inconsistent with the above are hereby revised accordingly. All other provisions which are not affected shall remain in effect.

For further guidance and information of all concerned.

Thank you.
