The Pre-bid Conference for **Supply, Delivery, Testing and Commissioning of Broadcast Transmitter Tower Lightning and Grounding System Rehabilitation for the People's Television Network, Inc. (PTNI)** or **ITB No. 2019-0016**, held at BAC Secretariat/Project Management Office, 3rd Floor, was called to order at 2:15 PM of 15 October 2019, and was presided by Chairman Gatan.

1. Business Matters

- Presentation of the procurement schedule
 - Bidder's submission of queries - October 16 – 18, 2019
 - Last day for answering queries - October 23, 2019
 - Posting of Bid Bulletin - October 29, 2019
 - Bid Opening - November 25, 2019 (2:00 PM)
- Ms. Gatan reminded the prospective bidders to check the Preparation and Sealing of Bids in the Bidding Documents to make sure that all documents are in order and in accordance with

the requirements. If there would be changes or if bid documents will have to be revised, a bid bulletin shall be issued.

- Mr. Darius Dela Cruz presented the Bidding Documents. He elaborated some provisions such as:
 - The Track Record Certifications must be present in the bid tender at the day of bid opening
 - Reminded the bidder to submit PhilGEPS Platinum Certificate of Certification
 - Explained the Ground/Earth Resistance & Test Reference Result.
 - All information regarding the existing lighting & grounding system are provided in the technical specifications
- The Committee reminded the bidders to follow the prescribed bidding forms to avoid disqualifications.

2. Noted comments/reactions from the BAC Representatives and bidders:

COMMENTS	RESPONSE DURING PRE-BID
In Ground/Earth Resistance & test Reference Result	Yes, please see the table of Ground / Earth Resistance & Test Reference Result pg. 69 of the Bidding Documents
Dou you have the required result for the test? Do we need to supply the same item or can we offer a better product?	As stated in 2.4 of the Scope of Works, the provider/bidder is allowed to choose and/or to replace the existing materials needs to use in rehabilitation of transmitter tower lightning & grounding system. As long ^{as} it's better than existing one in use. _A

- The representatives were requested to send their queries in writing and send them to the official email address of the BAC, ptnibac2015@gmail.com.

There being no other matters to be discussed, the pre-bid conference was adjourned at 2:43 PM.
