BID BULLETIN NO. 1
October 20, 2021

Supply, Delivery, Installation, Supervision, Integration, Training, Testing, and Commissioning of 3D Motion Graphics System with Data Counting for News Studio of People's Television Network, Inc.

ITB NO. 2021-0013

This bulletin is being issued to revise/clarify certain portions of the bidding documents. This shall form an integral part of the bidding document for the above-stated project.

No.	Queries	Response
1	<p>With regard to the similar contract for SLCC, <i>“Supply, Delivery, Installation, Supervision, Integration, Training, Testing and Commissioning of Motion Graphics System.”</i></p> <p>May we ask to add “or Broadcast Equipment System”?</p>	<p>The similar contract for SLCC is amended to “Supply, Delivery, Installation, Supervision, Integration, Training, Testing, and Commissioning of Motion Graphics System or Broadcast Equipment System, as long as the latter includes a motion graphics system or editing equipment component/ feature”.</p>
2	<p>Due to the shortage of delivery of computers, most of our projects take 90 to 120 days.</p> <p>With this may we request to extend the delivery period from 45 calendar days to 120 calendar days.</p>	<p>The delivery period (completion of project) is hereby amended from forty-five (45) calendar days to Seventy (70) calendar days from the date of notice to proceed.</p>
3	<p>What is the existing NPAS?</p>	<p>The existing NPAS is Octopus ver.8</p>
4	<p>With regard to item 2.a of the Technical Specification. <i>“Must be capable to accommodate all supplied and existing graphics in studio and MCR. The winning bidder must include the integration of existing graphics to Graphics Hub Server.”</i></p> <p>Since the existing Graphic Hub Server is VIZRT, may we ask how can we integrate our offered system when there is no other supplier in the market that can integrate with VIZRT other than VIZRT itself?</p>	<p>Correction, it is Central Graphics Storage, not Graphics Hub Server.</p> <p>We assume that there will be no compatibility issue with other equipment. This will serve as a “hub or storage” of the finished projects of the graphic artist in any graphics engine.</p> <p>No integration will be required from the existing graphics system to the system being supplied.</p>
5	<p>With regard to items 1.a & 1.b of the Technical Specification.</p> <p>May we clarify the “Graphics Creation Monitor “ & “Preview monitor”</p>	<p>“Graphics Creation Monitor “ shall be a high definition computer monitor</p> <p>“Preview monitor” shall be a high definition broadcast monitor</p>
6	<p>For the warranty period under M. Warranty & N. After Sales Service on page 31, the requirement is 2 years standard warranty plus 3 years SLA total of 5 years warranty?</p>	<p>The warranty is only Two years 2 years standard warranty of all supplied equipment.</p> <p>Item “N” is hereby revised to: N. Technical Support</p>

	and content. Web-based with support for multiple users” Does this mean Election Template?	
19	For SLCC, may we request for five (5) years instead of 3 years prior to the deadline for the submission and receipts of bids?	The period of completed contract similar to the project prior to the deadline for the submission and receipt of bids is hereby amended from three (3) years to five (5) years.
20	Due to the availability of the server and workstation may we request One Hundred Fifty (150) calendar days delivery extension.	The delivery period is hereby amended from forty-five (45) calendar days to Seventy (70) calendar days from the date of notice to proceed

Additional Items in Section VIII. Checklist of Technical and Financial Documents

In the Technical Component Envelope

The bidder shall submit a Notarized Undertaking that it shall provide Technical Support for five (5) years after the two (2) years standard warranty period expires.

Additional Reminders

Bidders are highly encouraged to use the templates for “Statement of ALL ongoing government and private contracts Including contracts awarded but not yet started” and “Statement of the bidder’s Single Largest Completed Contract (SLCC)” provided in Annex “A”.

In lieu of PhilGEPS Certificate of Registration and Membership or in the event that some Class “A” documents earlier submitted with PhilGEPS already expired on the opening of bids, the bidder shall include in their bid its valid Class “A” Legal Documents on the opening of bids.

Health and Safety Protocol during project Implementation:

- The onsite support shall submit a one-time negative COVID-19 RT-PCR Test Result upon reporting to the office.
- Submit a duly accomplished Health Declaration form.
- Present a COVID-19 vaccination card or any proof of COVID-19 vaccination
- Not exhibiting COVID-19 symptoms.
- Wear appropriate PPE’s such as face masks & face shields.

All other information in the Bidding Documents inconsistent with the above is hereby revised accordingly. All other provisions which are not affected shall remain in effect.

For further guidance and information of all concerned.
Thank you.
