BID BULLETIN NO. 1

October 30, 2021

Procurement of Appreciation Baskets for the People's Television Network, Inc. (PTNI)
ITB NO. 2021-0017

This bulletin is being issued to revise/clarify certain portions of the bidding documents. This shall form an integral part of the bidding document for the above-stated project.

No.	Queries	Response
1	For the "Eco Bag" do we need to include all required items including rice, ham, etc. in the Eco Bag?	The rice need not be included in the eco bag but must be stored in a package that can be separately carried. The ham, as the TOR states, must have a separate box or bag and need not necessarily be included in the eco bag. The frozen items such as hotdog and dressed chicken must be stored in separate plastic bags to avoid contamination with dry goods. The eco bag must be sturdy to store all dry goods, hotdog and dressed chicken and carry such without the handles snapping off or the bag being damaged.
2	For the requirement on the similar contract, would the BAC allow grocery goods which are Non-food related? These are still grocery items and we hope that you would consider these also.	We regret that we can only accept SLCC of food items. The similar contract is hereby revised to: "Supply and Delivery of Grocery (Food) items."
3	Would you allow variance or non-uniformity of brand per item as long as the specs are met?	We will allow variance in the brands as long as specifications are met and there is close coordination with the Committee on Giveaways or End-user on what these variances will be before delivery.
4	Do you have a distribution plan/schedule for the ham, sausage and fresh chicken so we can schedule how many freezers are required per schedule of giving the appreciation baskets?	The ham, hotdogs and fresh dressed chicken will be distributed simultaneously with the other food items. We intend to distribute the items as they are delivered in order that employees are able to bring home the goods to their families in time for the holidays. We will need the freezers for a maximum of two (2) weeks, and the Committee on Giveaways and Property Section will closely coordinate with the winning bidder on the usage and pull-out of freezers.

Additional Requirements/Information

1	The winning bidder shall provide a separate plastic bag for frozen items.	
2	Correction on the quantity of item no 2 in Section VII. Technical Specification	
	2	Spaghetti Sauce, Filipino Style or Sweet Style 1 Pack (900g to 1kg)
3	Detailed Specifications of Eco Bag. <u>For both baskets</u>
