No.	Queries	Response
1	Do we need to supply the antenna unit as well?  According to the Bid Document provided, there is no recommended technical specification such as Power rating and operating frequency of the antenna. How will we be able to determine this?	No. the bidder shall only construct a tower and supporting foundation to carry and resist all loads, including all appurtenances such as mounting, brackets, cable ladder, antenna cables, etc.
2	With regards to PCAB License  Does the procuring entity require all JV Partners to have the PCAB license?	The submission of the individual PCAB licenses of each joint venture partner participating is not necessary if the bidder is participating as a Joint Venture but the submission of the Special PCAB license for JV bidders is required pursuant to Section 38 of RA 4566 and Section 3.5 of its associated IRR as part of the technical eligibility documents to be submitted. (In reference to GPPB NPM No. 009-2016)
3	We are respectfully requesting from your end to grant us reconsideration to allow us to have our site inspection with your representative / officer on-site for assistance.	We regret that we cannot grant this request.
4	Under "PTNI's Health and Safety Protocols:" <ul style="list-style-type: none"><li>Follow health protocols from <del>Cotabato</del> LGU</li></ul>	Follow health protocols from <b>Legazpi</b> LGU

All other information in the Bidding Documents inconsistent with the above is hereby revised accordingly. All other provisions which are not affected shall remain in effect.
