BID BULLETIN NO. 2
28 April 2022

Repair, Installation of Spare Parts, Firmware Upgrade, Reconfiguration, Testing and Commissioning of Linear Tape Open (LTO) i6000 & i500 as part of Technical Operation Center (TOC) Automation System for the People's Television Network, Inc. (PTNI)
ITB NO. 2022-0015

This bulletin is being issued to revise/clarify certain portions of the bidding documents. This shall form an integral part of the bidding document for the above-stated project.

No.	Comments/Queries/Concerns	Response
1	<p>Clarification with our request regarding the advance exchange.</p> <p>It was confirmed by Quantum library representative that the current defective EEB Control Board on your i6000 Library and the defective i500 Library Drive will not be Pulled-Out from your possession.</p> <p>The advance replacement and return of the defective parts will only apply on this bid for the new EEB Control Board and the new Drive that Composite will be supplying to PTV4.</p> <p>With this, please advise If PTNI will accept the advance exchange for the new purchase units.</p>	<p>Superseding the response in the Bid Bulletin No. 1 item 2,</p> <p>During the One (1) year warranty period of the supplied product, the defective item shall be replaced first before pulling out by the winning bidder. Such replacement and pull out shall be duly documented by the enduser in coordination with the Property Section.</p> <p>Please take note that this will only apply on the supplied product under this project.</p>

All other information in the Bidding Documents inconsistent with the above is hereby revised accordingly. All other provisions which are not affected shall remain in effect.

For further guidance and information of all concerned.

Thank you.
