

BID BULLETIN NO. 1
6 December 2023

Supply, Delivery, Installation, Testing, Configuration, and Commissioning of Parts and Services for the Linear Tape Open (LTO) i6000 & i500 of the Technical Operation Center (TOC) Media Asset Management System (MAMS) Archiving Operation for the People's Television Network, Inc. (PTNI)

ITB No. 2023-0006

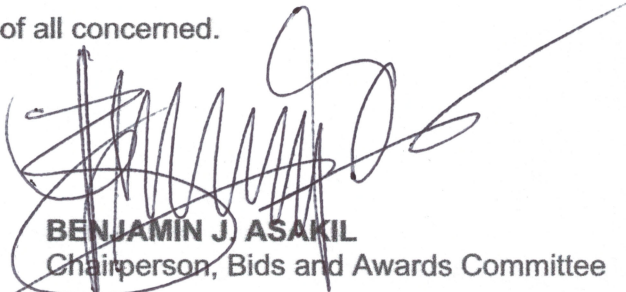

This bulletin is being issued to revise/clarify certain portions of the bidding documents. This shall form an integral part of the bidding document for the above-stated project.

No.	Queries	Response
1	For the period of completed contracts similar to the Project May we request to adjust the period from four (4) years to five (5) years?	Yes, contracts similar to the Project completed within five (5) years prior to the deadline for the submission and receipt of bids is accepted.
2	In the technical specifications under 5.4 project execution, <i>"Existing defective parts of the units shall not be pulled out after replacement."</i> Can we pull out the supplied defective parts as this was a policy of the manufacturer?	Existing or old defective parts/cards shall remain in PTNI as a waste material. Newly replaced parts/ card under warranty can be pulled-out for repair/replacement.
3	Where can we request the Certification from (PTNI) as an existing supplier/system integrator?	The certification can be obtained by contacting the Technical Operation Center (End-User).

All other information in the Bidding Documents inconsistent with the above is hereby revised accordingly. All other provisions which are not affected shall remain in effect.

For further guidance and information of all concerned.

Thank you.

BENJAMIN J. ASAKIL
Chairperson, Bids and Awards Committee
