

MEMORANDUM

TO : ALL PTNI PERSONNEL

THRU : Officers-In-Charge, Division Heads, and Concerned Units

DATE : 29 June 2023

RE : WATER CONSERVATION AS PER MEMORANDUM CIRCULAR NO. 22

Dear all:

In compliance to **Memorandum Circular No. 22, Mandating All National Government Agencies and Instrumentalities to Strictly Implement Water Conservation Measures**, forwarded to PTNI by the **Governance Commission for GOCCs through Notice to GOCCs dated June 13, 2023**:

All divisions, units, and personnel are **required to cooperate** with the implementation of a nationwide **water conservation program**, in coordination with other relevant government agencies.

As stated in the circular:

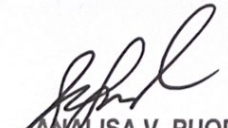

"...with the probability of the El Nino phenomenon occurring in the next few months, there is an urgent need to implement water conservation measures to avert a looming water crisis not just in Metro Manila, but in all other areas of the country experiencing water scarcity."

The management is confident in everyone's full cooperation and compliance.

The mandate of this memorandum is to be **implemented immediately**.

Please be guided accordingly.

Thank you.
