(Hardware & Software) of PTNI

No.	Queries	Response
1	<p>Requesting to change the Delivery Schedule Requirement from 30 days upon receipt of the Notice to Proceed/Purchase Order, to 90 Calendar Days upon Receipt of the Notice to Proceed.</p> <p>The reason is the items in the Technical Specification will be CTO (Configure to Order) to the supplier and needed the time to be assembled to the manufacturer abroad and shipped across the Philippines. Also, due to some materials constraints in the manufacturing, the extended days will be more needed for us to deliver it and provide the same product item in your Technical Specification.</p>	<p>The Delivery Period/Project Completion is hereby revised from Thirty (30) Calendar Days to <u>Ninety (90) Calendar Days</u>. However, whenever possible, all other available equipment shall be delivered as soon as possible.</p>
2	<p>With regards to the Editing Laptop for Video Graphics, will you require a dual boot between MAC PRO and WINDOWS 10?</p>	<p>Not necessarily.</p>
3	<p>Is there a possibility of rescheduling of Submission and Opening of Bids in view of the news about National Vaccination Days?</p>	<p>Kindly refer to Notice of Postponement No. 1</p>

Additional Requirements/Information	
1	<p>In relation to ITB Clause 15, after the Opening of Bids, the Secretariat will request an additional electronic copy (pdf & word format) of the Bid to the eligible bidders.</p>

All other information in the Bidding Documents inconsistent with the above is hereby revised accordingly. All other provisions which are not affected shall remain in effect.
